

TRANSPORTATION BULLETIN

XX% of our students are driven to school, XX% take transit, and XX% walk or bike. We want to help you make the journey to school safer.

Turn over the page for a map of the **Best Routes to School** based on your transportation mode.

SAFETY – BEST PRACTICES

If you drive:

- If under age XX, place in back seat
- Fasten seatbelts / car seat restraints
- Respect the traffic signs on streets
- Respect school patrol orders
- Allow enough time to find parking if you want to walk your child in to school
- Do not use school parking lot — it is for school staff only

Parking signs to be aware of:

1. School zone. Drive under 30 km/hr

2. No stopping during school hours
3. Park only for 3 mins during school hours

4. Do not idle (turn off engine while waiting)

If you take transit:

- Ages 5+ need a paid fare
- Respect all bus / Skytrain signage
- Priority seats only for the elderly, pregnant women, strollers, persons with disabilities
- Respect school patrol orders
- Use elevator only if stairs impossible
- Hold handrails on escalators
- Stand right / walk left on escalators
- Mind your step and walk (do not run) entering and exiting transit vehicles

If you walk or bike:

- Stop at all crossings. Check for cars, especially when there are no crossing lines
- Respect school patrol orders
- Do not assume cars will stop even if there are crossing lines or a stop sign
- Used marked crossings if possible

PROMOTING SAFETY AT NORQUAY

There is a school patrol every morning that helps organize traffic during drop-off times. These are volunteer teachers and students. Their instructions should be followed to ensure safety.

The Parking Enforcement Authority regularly issues tickets to those not respecting parking rules.

VOLUNTEERS NEEDED!

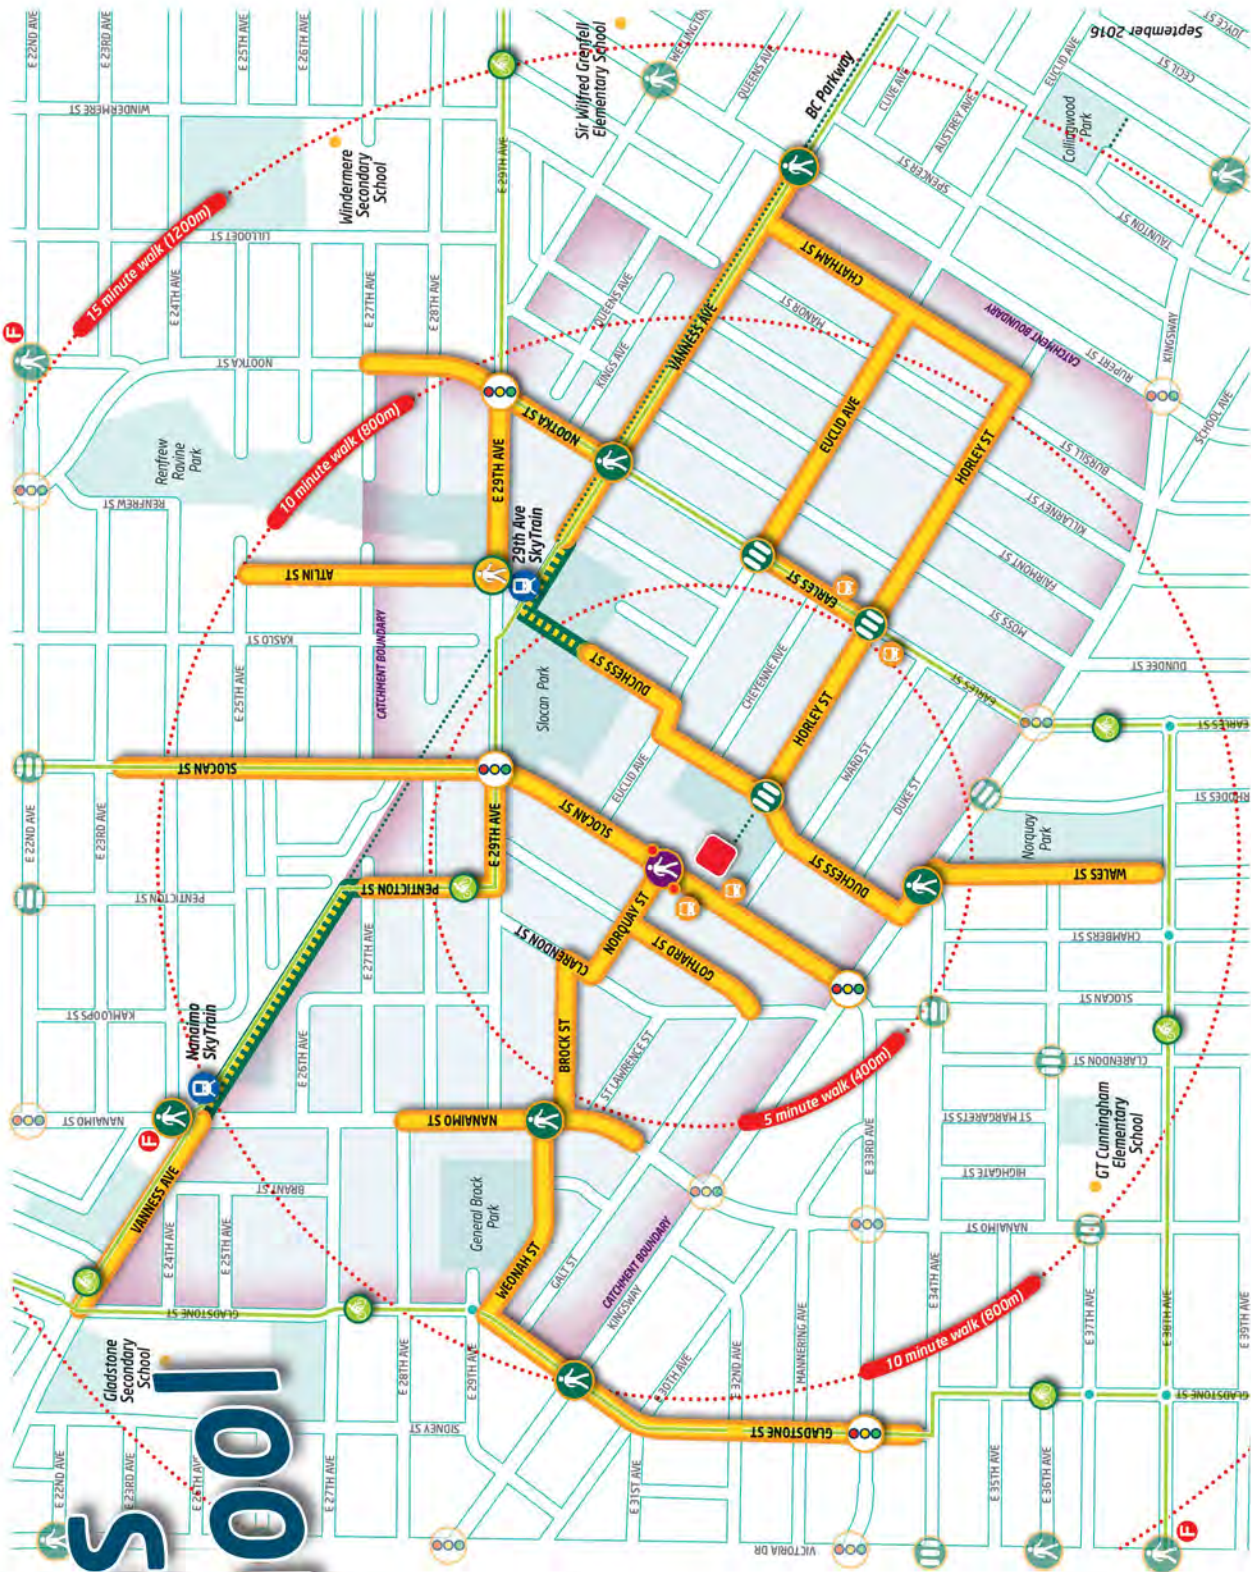

The City of Vancouver will be making changes to the parking signs around the school, and we are looking for volunteers to assist with enforcing the changes. We are looking for volunteers to help on the dates and times set out on the back of this form.

Volunteers will be assigned to different spots around the school and provide guidance to parents as to where they can park or drop off their child, or how they can walk safer to school. Brief training will be given at 8:30 am or 2:30 pm on the volunteer days.
